

PREMIERE
NAPA VALLEY

2026

Powered by Sotheby's

Welcome

Over the last 30 years, Premiere Napa Valley has become more than an auction. It has become a cherished tradition, an annual gathering among friends, business partners and colleagues that energizes us and sets a hopeful, inspired tone for the year ahead.

During this week, every part of our wine community comes together: producers, retailers, restaurateurs, clubs, exporters, wholesalers and media.

Each of you plays a vital role in keeping the spirit of Napa Valley alive. Your presence makes this week the most meaningful time in our local wine industry calendar, and we are grateful for the effort you make to be here with us.

Throughout the week, we hope you'll make new discoveries and strengthen relationships. And, of course, we hope you will consider bidding on Premiere lots, which are some of the most incredible wines produced in Napa Valley.

Premiere Napa Valley is one of the engines that fuels our region and we truly appreciate your support. All proceeds raised go directly to programs that help fulfill the mission of the NVV to promote, protect and enhance this great region.

As we come together once again, we raise a glass to you.

The image shows two handwritten signatures side-by-side. The signature on the left is "Chris Phelps." The signature on the right is "Josh Phelps." Both signatures are in a cursive, fluid style.

Vintage Reflections

2025: A Vintage Worth Waiting For, Where Patience Was Rewarded

The 2025 growing season brought a notable shift from recent years with cooler overall conditions, ample rainfall and the absence of major heat events. Wines are expected to be a return to the classics with longevity, balance and elegance. The vintage had three defining characteristics that set it apart: phenolic ripeness at lower brix, exceptional depth of color in red wines and lushness without power.

Following substantial winter rainfall, the growing season began with abundant soil moisture. Summer remained relatively cool, allowing for gradual, even ripening. Notably, only eight days reached over 95° F.

Early phenolic ripeness and generally lower seed tannins allowed winemakers to extend macerations without risk of bitterness. This helped to build beautiful weight and texture in the wines. Because physiological ripeness outpaced sugar accumulation, wines from 2025 are expected to be lower in alcohol. Winemakers also saw high color extraction, which is a good indicator of quality and age-worthiness in red wines.

Periodic rain during harvest introduced start-and-stop pauses on the crush pad yet had little impact on the harvest otherwise.

Patience was rewarded this season, resulting in a harvest that emphasized balance and finesse over power.

2024: A Classic Vintage for Napa Valley

Described as dynamic and rich in flavor, the 2024 vintage captures the unique character of Napa Valley, blending boldness with elegance. It was a textbook year for winemaking, yet it was also unusual for the numerous days of heat during the growing season. Key to the success of the vintage was heavy winter rain that set the vines up for success.

The winter rains saturated the soil and laid a foundation for healthy vegetative growth. The resulting natural shade canopy protected the crop through the expansive summertime heat from June through harvest.

For winemakers, it was a low-stress year as everything came in as expected, yet it was also compacted which required the flexibility and collaboration of vineyard and winemaking teams over long harvest days. Most of the grape harvest took place at night with early morning delivery to the crush pads.

The sparkling wine harvest took place from early August to early September. Still wine varieties began in mid-August and wrapped up by mid-October.

2023: Vintage of a Lifetime

“Every century, every place has its legendary vintages. I have no doubt that 2023 will go down as one of the most phenomenal vintages ever in Napa Valley.”

KAREN MACNEIL,
AUTHOR OF THE WINE BIBLE

In 2023, Napa Valley experienced one of the longest growing seasons in a decade or more. With consistent, mild weather throughout the season, above-average crop yields, and extended hang time, 2023 is an exceptional, high-quality, memorable vintage.

Winter and spring rains led to ideal conditions as grape growers headed into bud break. Relatively cool weather throughout the growing season, in tandem with an abundance of sunshine, allowed grapes to ripen slowly and develop maximal color components for red wines.

Harvest kicked off Labor Day weekend (September 2-4, 2023) for white wines; Cabernet Sauvignon harvest began at the end of September/early October; all picks wrapped up by mid-November. Vintners relished the long harvest season, which provided extended hang time to develop flavors.

For red wines, full ripeness of grape skins and seeds provided the building blocks for a tannic backbone which is the source of resilience for a long-lived wine. Winemakers describe the wines as having freshness, purity and elegance overall.

Premiere Napa Valley is a celebration of craftsmanship with **one-of-a-kind wines** created exclusively for this auction.

Each lot is a singular expression of our winemakers' passion, vision and relentless pursuit of excellence.

They can be found only here, only now and only by those inspired to take them home.

Premiere Napa Valley Lot Offerings

Grounded Wine Co.

Crafted by the father-and-son team of Chris and Josh Phelps, this wine represents a masterful fusion of two distinct Napa Valley sites. A meticulously selected mid-valley vineyard contributes depth, definition, and refined nuance, while a cooler, lower-valley location offers generous dark fruit and plush richness. Blended with intention and precision, the result is a wine whose harmony surpasses the

character of its individual parts. This is Napa craftsmanship at its finest: a thoughtful expression of place, skill, and lineage, brought to life through the Phelps family's dedication to exceptional winemaking.

Stony Hill Vineyard

From the eastern edge of Stony Hill Vineyard, nestled in the wilderness of Spring Mountain District, comes a rare, hand-harvested Cabernet-driven blend: 76.5% Cabernet Sauvignon, 22% Cabernet Franc, and 1.5% Petit Verdot. Crafted under the expertise of Reid Griggs—alum of Harlan Estate, Dalla Valle, and Ridge—this wine is made in a classical, terroir-driven style with indigenous yeast, CCOF-certified organic farming, and biodynamic principles. Aged 22 months in 25% new French and Austrian oak, it reflects the rocky soils, manzanita forests, and chaparral of its unique site. Harmonious and graceful, it is a pure expression of Spring Mountain Cabernet at its absolute peak.

From one of Napa Valley's smallest ultra-boutique producers comes a truly singular Oakville Cabernet Sauvignon—bold, powerful, and aged for 36 months in new, tight-grain Tonnellerie Leroi French oak. Sourced from Oakville Station, which sits within the famed To Kalon Vineyard, this micro-production wine reflects an obsession with detail: hand punchdowns,

gravity-flow movement, and artisan craftsmanship at every step. With fewer than 300 cases produced annually, Spoto Family Wines channels Oakville's iconic character into a richly expressive, intensely focused Cabernet that embodies rarity, precision, and the deepest commitment to quality. Spottswoode Estate Vineyard & Winery

The 2024 Spottswoode Cabernet Sauvignon, exclusively bottled for 2026 Premiere Napa Valley, showcases over a century of vineyard heritage, from its 1882 founding to the Novak family's stewardship since 1972. Sourced from blocks that are 100% no-till and grazed by sheep, this wine exemplifies the estate's Regenerative Organic Certified practices, blending history,

innovation, and sustainability. Decades of organic and biodynamic farming, combined with care for the land, workers, and community, create living soils that nurture exceptional fruit. This limited-release wine captures the essence of Spottswoode's terroir—concentration, depth, and elegance—offering a rare opportunity to taste a vineyard evolving in harmony with nature.

Sourced from volcanic, rocky soils at 1,660 feet, this 100% Clone 4 Cabernet Sauvignon was aged 22 months in new French oak, achieving a perfect balance of deep concentration and graceful structure. This single-block,

barrel-select bottling captures Howell Mountain's bold character, offering collectors and enthusiasts a thrilling expression of mountain Cabernet Sauvignon. Named after the high-altitude Italian pass that inspired its owners, the Erta Block reflects endurance, elevation, and adventure in every sip.

We farm our estate vineyard organically with the utmost care, manually tending the tightly spaced rows and harvesting by hand in the coolness of early morning. All fruit is sent through two rounds of rigorous sorting—first as whole clusters, then again as de-stemmed individual berries. After cold maceration, the fruit completes primary fermentation in temperature-controlled conditions over three

to four weeks; we then use a vertical press to gently crush into barrels for a secondary, malolactic fermentation. We rack at most twice per year, and bottle without fining or filtration. By minimizing human intervention with the wine, we aim to amplify the voice of the terroir.

Crafted from 97% Cabernet Sauvignon and 3% Malbec, this limited wine unites 64% Howell Mountain intensity with 36% Rutherford elegance. It marries the power and structure of Bancroft Ranch with the plush opulence of the Hewitt Vineyard and BV10, creating a seamless expression of two iconic terroirs. Aged in slightly less than new American oak, it honors the legacy of Andre

Tchelistcheff, whose influence shaped BV, Rutherford, and the very foundation of Napa Valley winemaking. This bottling stands as a tribute to his mastery—a sophisticated fusion of heritage, craftsmanship, and place.

Born from Winston Hill's Heart Block 5 on the Frank Family's Rutherford Estate, this 100% Cabernet Sauvignon channels both the power of the eastern Rutherford Bench and the legacy of this magnificent single vineyard. This site's southwest facing exposition and rocky, volcanic soils produce naturally low yields and fruit of extraordinary concentration, depth, and grace. Aged for nearly

48 months in new French oak, and handcrafted with precision and patience, this wine pays homage to this famed piece of hallowed soil, as both an icon of Napa Valley terroir and the truest expression of the land that captured Rich Frank's heart from the very beginning.

Benevolent Neglect Wines

This 2024 Cabernet Sauvignon is a defining expression of Coombsville, sourced from the exciting new Equilibria Vineyard in the heart of the appellation. The site's diatomaceous volcanic soils, cool microclimate, and organic, sustainable farming yield exceptional fruit. Crafted through a close collaboration between Benevolent Neglect winemaker Matt Nagy and Dylan Pecchenino, the wine is hand harvested and selected from the vineyard's finest blocks and barrels. This wine delivers complexity, balance, and a long, structured finish that perfectly captures Coombsville's quiet, yet formidable power.

Gen 7 Wines

This special blend is a heartfelt tribute to the ancestors who helped pioneer California's wine industry in the 1800s. Crafted in a refined, French-inspired style, it balances approachable tannins with bright acidity and elegant fruit, honoring both heritage and timeless technique. The blend of Cabernet Sauvignon, Merlot, Petit Verdot, and Negrette creates a wine of grace, depth, and enduring character. Fermented in open barrels and aged 23 months in French oak, it captures subtlety, structure, and harmony. Each bottle tells a story of tradition reimagined, offering a sophisticated and layered expression that bridges history and contemporary elegance.

The Vineyard House

Nestled into Halter Valley, a rare enclave of western Oakville, The Vineyard House is a boutique estate that sits atop an alluvial fan beside the historic Baldridge House. Defined by heritage, precision, and ambition, this wine is a decadent, lush and powerful expression of Jeremy Nickel's home estate. Thoughtfully selected by winemakers Philippe Melka and Maayan Koschitzky, this Premiere

Napa Valley lot blends blocks and varieties to capture Halter Valley's unique voice, with harmonious balance, expressive character, and an unmistakable identity that is quintessential Napa Valley at its finest.

Venge Vineyards

An immersive, hands-on pursuit, this blend is crafted with intention and reverence for Napa Valley's most storied sites. At its core, 95% Cabernet Sauvignon rises from elite vineyards—Beckstoffer Missouri Hopper, Oakville Ranch's Saunders Block, and Renteria's coveted 360 Vineyard—each contributing structure, energy, and depth. Elevating the blend is a rare and compelling 5% of Beckstoffer

To Kalon Cabernet Franc, a quiet luxury that adds aromatic power and layered complexity. The wine rests for 28 months in 100% new Taransaud and Darnajou French oak, emerging refined yet commanding—a statement of precision, patience, and unmistakable gravitas.

Carte Blanche Wine

Historic Hopper stands as a singular tribute to the Beckstoffer Missouri Hopper Vineyard, sourced entirely from its oldest and most revered Cabernet Sauvignon blocks. Rooted in the legendary Clone 4, this wine reflects generations of vision, discipline, and uncompromising standards. Meticulously farmed under Andy Beckstoffer's stewardship and shaped by Philippe Melka and his acclaimed team, it

is crafted with absolute precision and intent. Extended aging in French oak lends stature and poise, while its rarity elevates its allure. Powerful yet refined, Historic Hopper is a statement of legacy and ambition—a Premiere Napa Valley offering created for collectors who seek significance, not just scarcity.
