

PREMIERE
NAPA VALLEY

2025

Powered by Sotheby's

Welcome

Thank you for supporting our region and joining us for Premiere Napa Valley 2025!

This one-of-a-kind event not only offers wines that tell a story of place, vintage and vision, but also an incredible opportunity for cultivating and fostering relationships with key partners in the wine trade. And better yet, wine trade from anywhere in the world can partake in Premiere Napa Valley.

Representing a micro-lot of wines from the renowned 2023 vintage, Premiere Napa Valley gives winemakers the ability to narrow their focus and express the story they want to tell, ensuring that the greatest attention to detail is paid to the creation of the wine. These wines push the limits of creative experimentation and are the encapsulation of a sense of perfection. It is an opportunity for today's winemakers to make innovative or collaborative wines that generations from now will be the stuff of legend.

All proceeds from Premiere Napa Valley fund programs that fulfill our mission to promote, protect and enhance Napa Valley. We so appreciate your continued support, and we look forward to showcasing the noteworthy 2023 vintage to you this week!

Vintage Reflections

2024: A Classic Vintage for Napa Valley

Described as dynamic and rich in flavor, the 2024 vintage captures the unique character of Napa Valley, blending boldness with elegance. It was a textbook year for winemaking, yet it was also unusual for the numerous days of heat during the growing season. Key to the success of the vintage was heavy winter rain that set the vines up for success.

The winter rains saturated the soil and laid a foundation for healthy vegetative growth. The resulting natural shade canopy protected the crop through the expansive summertime heat from June through harvest.

For winemakers, it was a low-stress year as everything came in as expected, yet it was also compacted which required the flexibility and collaboration of vineyard and winemaking teams over long harvest days. Most of the grape harvest took place at night with early morning delivery to the crush pads.

The sparkling wine harvest took place from early August to early September. Still wine varieties began in mid-August and wrapped up by mid-October.

2023: Vintage of a Lifetime

“Every century, every place has its legendary vintages. I have no doubt that 2023 will go down as one of the most phenomenal vintages ever in Napa Valley.”

KAREN MACNEIL,
AUTHOR OF THE WINE BIBLE

In 2023, Napa Valley experienced one of the longest growing seasons in a decade or more. With consistent, mild weather throughout the season, above-average crop yields, and extended hang time, 2023 is an exceptional, high-quality, memorable vintage.

Winter and spring rains led to ideal conditions as grape growers headed into bud break. Relatively cool weather throughout the growing season, in tandem with an abundance of sunshine, allowed grapes to ripen slowly and develop maximal color components for red wines.

Harvest kicked off Labor Day weekend (September 2-4, 2023) for white wines; Cabernet Sauvignon harvest began at the end of September/early October; all picks wrapped up by mid-November. Vintners relished the long harvest season, which provided extended hang time to develop flavors.

For red wines, full ripeness of grape skins and seeds provided the building blocks for a tannic backbone which is the source of resilience for a long-lived wine. Winemakers describe the wines as having freshness, purity and elegance overall.

2022: The Tale of Two Harvests

Winemakers are calling the vintage “the tale of two harvests,” making it one of the more unique vintages in recent history. The white wine harvest kicked off in early August, followed quickly by red wine varieties.

Napa Valley grape growers’ preparation and experience paid off in 2022 as growers faced triple-digit heat over five days in September quickly followed by rain that brought harvest to a sudden halt.

The typical gap between the white and red wine harvest was almost nonexistent, and the frenzied tempo continued until the rains provided winemakers a much-needed break. Following the rain, grapes left to hang through October enjoyed mild weather days that allowed winemakers to wait for perfect ripeness.

Winemakers believe the unique weather events that defined the vintage will showcase the full range of flavors that Napa Valley wines are so well known for from crisp and vibrant to dense and powerful.

Napa Valley

Crafted from a block surrounded by 100-year-old Redwoods, this wine exudes unique, earthy notes

The 2023 vintage offers rich concentration and finesse, capturing the essence of the season

Honoring V Madrone's history, this wine embodies its deep connection to land and tradition

East-facing slopes and gravelly soil give vibrant acidity and structure, enhanced by Redwood influence

"This 2023 Redwood Block honors the property's rich history and the camaraderie of those who came before us. Inspired by their dedication and teamwork, Jean Hoefliger crafted this wine to celebrate the legacy and unity that shaped this vineyard, preserving its story in every bottle."

Blue Shale

Mount Veeder

From a dramatic, hillside vineyard in the Mount Veeder appellation

Rooted in the Franciscan geologic formation featuring well-drained, fractured blue-shale soils

Our site is amongst the coolest AVAs to produce Cabernet Sauvignon in Napa Valley

First planted in 1926, this is one of the oldest, continuously producing vineyards on Mount Veeder

“Blue Shale” refers to the dirt and soil where Brandlin’s Mt. Veeder Estate Vineyard is grown. We are connected to Brandlin’s pioneering winegrowers, Henry and Chester Brandlin, through these soils, and this wine is in honor of their vision and prowess in cultivating something vibrant and beautiful from this majestic yet rugged mountaintop.”

Beckstrom

St. Helena

100% Cabernet from Bob Beckstrom's boutique West Zinfandel Vineyard, maintained and harvested by hand

Winemaker Tom Rinaldi's 48th harvest, this wine is aging in 100% new French oak for 22 months in barrel

Displays a very rich garnet color with clean classic Cabernet aromas of cedar, black olive and licorice

A long, rich finish and a balance that promises very rewarding long term cellaring potential

"Our Beckstrom lot comes from the very heart of a remarkable vineyard on West Zinfandel Lane on the southside of St. Helena. As Tom enters his 50th Harvest and Bob his 80th year of life, we are honored to work with all of their fruit from their outstanding vineyard, which continually produces extremely top quality fruit.

We have known Bob and Linda for quite some decades, and our lot represents not just the heart of Saint Helena, the epicenter of Cabernet, but their commitment to our community, and the trust in our winemaking ability to represent that commitment.

From our beginnings decades ago as Rotary members to his continued involvement in Appellation St. Helena AVA and the Rianda House, and other philanthropy, Bob Beckstrom epitomizes small town caring, strength and generosity - both at home and beyond our valley. We hope you recognize that clearly in this wine."

“Premiere Napa Valley provides the opportunity to move beyond creating the extraordinary wines we normally make and opens the door to collaborate with other winemakers to go even further. This level of interaction and working closely on a blend collaboratively pushes the limit of quality and exceptionalism within a wine. This year we are thrilled to partner up with Davies Vineyards to craft a unique St. Helena Cabernet Sauvignon lot. As well, we be showcasing a one of a kind collaboration from Rutherford. Whitehall Lane and the historic Morisoli Vineyard together again after 30+ years, will create a Cabernet Sauvignon exclusively for Premiere Auction 2025.”
